

Hort Notes

A commercial horticultural newsletter published bi-weekly from March through October, and monthly for the remainder of the year. For landscapers, arborists, nursery and garden center personnel.

- Highlights new technology in Integrated Pest Management and plant maintenance.
- Keeps you abreast of current pest outbreaks in Massachusetts.
- Gives notification of pesticide applicator training.
- Lists ongoing educational programs for commercial horticulture.

A one-year subscription (16 issues) is \$20.00. Fill out the form below and mail with your payment to *HORT NOTES, French Hall, 230 Stockbridge Rd., UMass, Amherst, MA 01003-9316*. Make check payable to the University of Massachusetts.
